

SEAN K. WATKINS

UI/UX Designer

SUMMARY

- I have been a UI/UX Designer for over 10 years
- I knew design was the path I wanted to go freshman year of high school
- While staying up on design, I also wanted more of a challenge, so I took a leap learning some coding languages such as HTML, CSS and some Javascript
- I love working in the digital world and every day I am pushing myself to stay on top of the trending curves for both design and development

SKILLS

- Adobe Creative Suite
- Adobe XD
- HTML 5
- HTML 5 Canvas
- CSS3
- Axure
- Invision
- Sketch
- Figma
- Design Systems
- UI Libraries
- Analytics Systems

EDUCATION

- EDGEWOOD HIGH SCHOOL 2001-2005
